

was asking "if we could date?"

Then I saw him on the stairs and he ~~grabbed~~ my arm, but I ignored him and kept going down the stairwell. When I

went

to report
to H.R.

spoke to

Stokes and

she had

investigate,

also asked

what would be

with

Dr. Brown-West

resame

n. I

ended "As

AS I AM

alone, she

red me

nothing

& happen

during

meeting.

returned home from class he called ~~me~~. He said "I know where you live and I am right down the street. No one is going to believe anything that you say. No one from H.R. ever called me. So I

spoke to Sylvia Stokes again, she said that she was still ^{investigating} into my complaint

One evening, ~~she~~ was leaving the ladies room in the Student Center and Dr. Brown-West came out of the Student ^{Lounge} and grabbed me from behind. He pulled me against his body as if to be intimate with me (I could smell his cologne on my clothes). One of his hands was on my breast and his other hand was placed between my legs and
